

ETI Travel would like to announce its new spa-inspired office. The concept is a refreshing and exciting advancement in the art of travel agency design. To complement this change, we are also updating our identity and image with a name change.

You have known us as ETI Travel and, after more than 18 years in business, our new name and office better reflect who we are.

Welcome to Tangerine Travel, Ltd.

As of July 1st, we will be known as Tangerine Travel, Ltd. Rest assured we are not being bought, merged or acquired, and our ownership remains exactly the same. We have the same great staff that has been handling your travel needs over the years.

From the moment you step into our new offices – opening later this summer – you'll sense something different. Step through the door and put yourself in a travel frame of mind. You are always welcome to come in and enjoy a cup of coffee by our fireplace and waterfall; stay connected in our Wi-Fi lobby; talk to a consultant in one of our theme rooms regarding your next travel journey; purchase spa products; or learn about space travel.

ETI Travel has always been unique in that we get to know you and you become part of our travel family. We are here to care for you and are available 24/7 to offer emergency help. Visit our new website portal on July 1st at www.tangerinetravel.com, and watch for an invitation to our Client Appreciation event to be held at our new office on October 4th.

Just imagine.....the refreshing scent of citrus, the sound of gently cascading water, and a comfortable chair in which to relax. Breathe in and prepare yourself for a whole new approach to travel.

Tangerine Travel – refreshing service; refreshing human touch.

Sincerely,

Angela D. Lepley, CTC
President
